## The Iroquois New York

**BE OUR GUEST**  
From top: The Astor Suite at The St. Regis New York; the Iroquois New York's elegant entrance.

For a quintessential Midtown experience, drop your bags in one of the Iroquois New York's 114 rooms and head straight for Lantern's Keep, the stately but intimate cocktail salon known for its handcrafted libations. Or, for a full meal that's comfortably modern, visit the charming French eatery Triomphe just steps away.

Back in your room, you'll find a classically designed space featuring luxurious Frette linens and bathrobes, soundproof windows, a nightly turndown service complete with Le Belge chocolates and a full marble bathroom. A 24-hour fitness center—featuring a Finnish sauna and private yoga and Pilates sessions—keeps you on top of your workout routine, while a complimentary shoeshine and overnight laundry service take the hassle out of being away from home. *From \$289 per night, 49 W. 44th St., iroquoisny.com —ZW*
